

TuriX Disclaimer for Sensitive Operations

Last Updated: 9/18/2025

Effective: 9/18/2025

Welcome to our TuriX service!

TuriX is operated by NEW GENERATION TECHNOLOGY (NGT) PTE. LTD. and any of its affiliated entities or subsidiaries (hereinafter referred to as “NGT” or “we”), and is provided to you through the following platforms: website, application (which may include different versions), software development kits (SDKs) and application programming interfaces (APIs) for third-party websites and applications, as well as innovative formats arising from technological advancements. The TuriX Disclaimer for Sensitive Operations (hereinafter referred to as “**this Disclaimer**”) constitutes an integral and inseparable part of the [TuriX Terms of Service](#) (hereinafter referred to as the “**Terms of Service**”) jointly entered into between you and us, and carries contractual force and effect. For matters not covered in this Disclaimer, the relevant provisions of the Terms of Service shall prevail.

Before using TuriX, please carefully read this Disclaimer and the Terms of Service, particularly the clauses highlighted in bold that significantly affect your rights and interests. Only after agreeing to all terms of this Disclaimer and the Terms of Service should you proceed to use TuriX. If you disagree with any or all of the contents of this Disclaimer or the Terms of Service, please refrain from using TuriX. By clicking the “Agree” button, you confirm that you have read, understood, and agreed to this Disclaimer, and voluntarily accept and commit to complying with all its provisions.

1. Definition

Under this Disclaimer and the Terms of Service, the term “Sensitive Operation” refers to critical actions initiated by you through TuriX that require TuriX to execute and may impact the cybersecurity, data security, property security, or

personal safety of you or other individuals or organizations, including but not limited to:

(1) **Instant Messaging Operations** (including but not limited to making phone calls, sending instant messaging app messages, emails, SMS, liking, favoriting, forwarding, sharing, posting, editing, or deleting comments, social media posts, blogs, etc., modifying visibility settings for comments, social media posts, blogs, etc.);

(2) **Shopping Order Operations** (including but not limited to adding items to a shopping cart, modifying a shopping cart, placing purchases, adding, deleting, or changing shipping addresses, posting product reviews, deleting shopping orders, etc.);

(3) **Financial and Property Operations** (including but not limited to transferring funds, payments, receiving funds, currency exchange, using coupons, issuing invoices, purchasing or selling stocks, securities, funds, or other financial products, opening or closing banking/financial accounts, etc.);

(4) **Account Management Operations** (including but not limited to registering or terminating accounts, changing passwords, updating personal information, adding or removing contacts, deleting conversation records, deleting browsing history, etc.);

(5) **File Editing Operations** (including but not limited to creating or deleting files, renaming or modifying file content, relocating files, sending or receiving files, encrypting or decrypting files, adjusting file visibility settings, emptying the recycle bin, etc.);

(6) Other significant operations that may impact the cybersecurity, data security, property security, or personal safety of users or other individuals or organizations.

2.Disclaimer

2.1.You understand and agree that when issuing and executing Sensitive Operations via TuriX, you must exercise caution and perform additional verification independently.

2.2.While using TuriX, you must maintain continuous monitoring of the screen content and ensure that TuriX is used only when you are actively present and monitoring the screen. You shall promptly monitor and verify every operational

action performed by TuriX. You understand and agree that all computer operations executed by TuriX shall be deemed to be your own actions, and any losses arising from such operations shall be borne by you exclusively. TuriX must not be used for critical or essential computer tasks to avoid potential risks and losses.

2.3.For Sensitive Operations, you must exercise utmost care during execution. Once you confirm an operation, it indicates that you have fully understood the consequences of the operation and agree to bear all liabilities arising therefrom. NGT assumes no responsibility for the outcomes of operations confirmed by you.
